“Chillin” At Camp Russell

In February Troop 18 hosted the Klondike Derby at Camp Russell for the Revolutionary Trails Council. Troops from all over the Mohawk Valley came out to compete in various events having to do with cold weather first aid, fire starting, scout trivia and orienteering. Each year the highlight of this event is when the boys race across the field in the sled race and the foot race. This year we had a great showing with Benito Santiago taking first place in the foot race and the Cub Scouts Pack 18 winning the sled race for the Webelos. In addition to this event the Boys enjoyed Spending the night in the Health Lodge. Playing cards, eating good food (thanks Mr. Egg.) and hanging out are just a few of the things they did to pass the time. We would like to send out a special thanks to all of the Troop 18 and Pack 18 volunteers who helped to make this event possible.

Scout Sunday

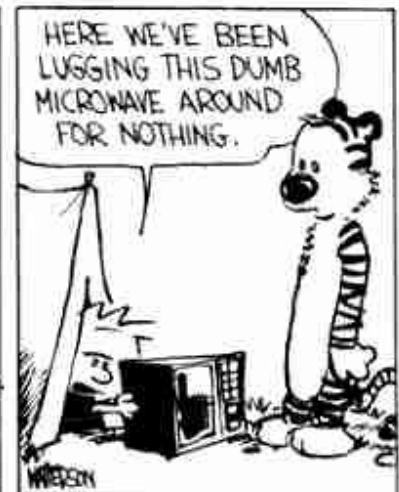

This year Troop 18 came together with the congregation of New Hope Christian Fellowship to worship on February 13th. About 10 boys from both the Boy Scout Troop and Pac 18 enjoyed good music and an encouraging message from Pastor Jim about showing others honor. A great time was had by all.

Sea Base Meeting

If you are planning on attending the trip to Florida Sea Base in 2012 there will be a mandatory meeting at 6:00pm on may 5th at New Hope. Scouts must be accompanied by a parent as we will be giving important information about this event.

Riddles

A blue house is made of blue bricks. A yellow house is made of yellow bricks. A red house is made of red bricks. An orange house is made of orange bricks. What would a green house be made of?

This is as light as a feather but no one can hold it for long.
What is it?
