Visitors

The attendance officer is housed in a separate room next to the entrance. A similar room can be found in the elementary lobby. All students, parents and visitors are expected to pass through the security doors when entering the building.

We welcome all visitors to the school, but please sign-in at the front desk and receive a visitor's badge before entering the school.

Transportation

Contact our transportation department any time of the year with changes in pick-up or drop-off locations. Our staff works during July and August setting up bus routes for the next school year and would be glad to assist in arranging your student bus schedule. New bus route information is available starting 10 days prior to the first day of school each year. The Route Coordinator can be reached at 429-9388, FAX bus change information to 429-8791, or e-mail to:
