The Dolgeville Central School District is a community-minded learning institution that is committed to sending all students into the world well prepared.

## 2009-2010 Calendar

# Looking Ahead

## Dress Code

When buying clothes for your children, or selecting what they are going to wear to school, please remember that DCS has a dress code. In general, the purpose of the dress code is to promote appropriate, modest, and safe dress that does not detract from the learning environment.

For all details of the dress code, see Section V of our District Student Conduct Code. A copy of the code is mailed to all households in the district in August. If you did not receive a copy of the code, please call the District Office at (315) 429-3155 ext. 3000 for a copy.

Please note that the district reviews the Code of Conduct each year and would like community participation. If interested call 429-3155 ext. 3000 and leave your name and phone number. You will be contacted in January with the details.

## Note from the Superintendent

I want to welcome everyone back to the 2009-2010 school year. Included in this calendar is information we hope is useful to you throughout the year. School activities and functions with starting times should help keep you informed about what is going on here at school.

The construction project is complete and we are excited about the positive changes it has made to our learning environment. Every part of our building received upgrades and site improvements have made the DCS campus a place to be proud of. Currently the work completed to our campus has made this a healthier environment for students, staff and community use. I will be announcing a time this fall when the community will be invited to come in and be given a report on the project and a tour.

Remember, our mission is to give our children opportunities for academic growth. Together we can make a difference in their lives. I hope everyone has an enjoyable year.

Sincerely,  
Theodore Kawryga  
Superintendent of Schools

## Dance Guest Policy

It is the general policy of Dolgeville Central School to keep our dances closed to ensure student and chaperone safety, and provide an atmosphere conducive to good clean fun for our students. However, in an effort to give our students the opportunity and privilege of inviting friends to Dolgeville dances from outside the district, the Board of Education has decided to allow students to bring a guest to the Homecoming Dance, Winter Semi-Formal, Valentine's Day Dance, and Prom under the following conditions:

1. Student guests from outside the district must be under the age of 21.
2. Each Dolgeville student who wishes to invite a guest must complete the district dance guest request form and submit it to the high school office by the Monday prior to the dance.
3. The DCS student is responsible for his/her guest's conduct.

No one will hand it to us.”

## Parents as Reading Partners (PARP)

This year Dolgeville Elementary School will be participating in the Parents As Reading Partners Program. PARP is a collaborative effort among parents, staff and the community to build a reading partnership between the home and school.

Learning to read is the single most important activity in a child's education. Students who read at home become better readers and have higher success rates in school. We will be asking parents to set aside 15 minutes to read with your child at least three times a week.

Our theme this year is Reading Around the World. The PARP Kickoff for families will take place on Tuesday, Nov. 3, at 6 p.m. in the elementary building. The program will run during the months of November through February. On the evening of March 11, there will be an assembly to celebrate reading for all children in grades K-4.

We look forward to working with our families to help make our students lifelong learners. Reading together will impress on our children the fact that reading can be fun as well as informative.

“It is today we must create the world of our future.”

-Eleanor Roosevelt

## Seasonal Reminders

Prom/Testing/Graduation season brings excitement and dangers. Please keep these two important reminders with you during this time:

1. Safety - Adults that serve alcohol to minors are legally liable. Please do not put our students at risk. Please talk to your child about the dangers of driving recklessly, drinking and other foolish behavior. We all want to have happy memories of this school year.
2. Academics - Students need to be in school and rested. Ask how they are doing. If you have any doubts, call the guidance office at 429-3155 ext. 2800. Seniors cannot walk the stage unless they have all of their requirements met!

## Professional Development

**Why does the school schedule half days?**  
 Dolgeville Central School is committed to providing the absolute best education to our children. As such, there will be a few times throughout the year when the school will offer in-service training to our faculty and staff. Each of these days is thoroughly planned to ensure that the loss of instructional time will benefit the students.

---

**Why is parental presence so important at conferences?**  
 At DCS, our primary concern is the education of the students. Part of creating a successful learning environment for the children is the development of a working relationship between the home and school. DCS provides for one full day and two half days of parent-teacher conferences so parents may speak with the teachers on areas of concern. These conference times are an essential ingredient for student success. Please speak with your child's teacher about scheduling a conference.
